

Student Dress Code

There is a required “uniformed” look for all students. We believe that a school dress code produces an increase in school performance and a decrease in the number of behavior-related problems. Below are the school dress requirements.

We will do our best to provide a uniform to any student who comes to school out of uniform. Students who repeatedly and intentionally violate our uniform policy and continue to come to school out of uniform may be placed in ISS. Subsequent offenses could result in a student being placed on virtual learning. Extenuating circumstances will be dealt with on a case-by-case basis.

For the safety of everyone, students are **not allowed to wear** the following items in school (at any time), or on any dress-down days:
