Dear Parents,

In an effort to keep you informed of any bus delays Advanced Transportation encounters as soon as they occur, we have set up an account through Remind, a free text-message notification system. As we are made aware of any changes (ex: delays), we can get this information to you in quick and easy manner using this approach.

To sign up for notifications, find your child's bus code below and send that code in a text message to 81010. Be sure to include the @ symbol in your text! You will receive a confirmation text once you enroll. *Standard text message rates apply. Remind respects your information and treats it carefully, and have been awarded the iKeepSafe COPPA Safe Harbor Seal. See more here: ikeepSAFE.org.*

BUS #	BUS CODE	BUS #	BUS CODE
1	@eh7422	9	@a69edc
2	@38a7dg	10	@h9e3aa
3	@akheke	12	@266392

5	@d683kg	14	@dg3g42
6	@a3274d	15	@42k93

We appreciate your understanding as we work with Advanced Transportation to provide safe and reliable transportation for your child. We hope that getting information sent to you in a more timely fashion will help facilitate better communication and less inconvenience for you.

Please contact us if you have any questions.

Sincerely,
