How do I apply for my child(ren) to attend TECS?

Step 1 – Register your child in the school of residence – A school of residence is the school a student would attend based on their home address. See the [school locator map](#) for a list of schools by address.

Step 2 – Complete the standard application form – Any family seeking to choice a student into Thomas Edison Charter School must complete an online application form during the school choice application window (November 6, 2023 to January 10, 2024).

Step 3 – Choice selection – After the choice window closes, schools process applications based on state and local policy. Some schools may use lotteries. Districts and charter schools are required to follow the state's policy for accepting school choice students. Families will be notified of their application status (approvals/disapprovals) no later than the last day of February.
